HIGHTOWER'S PAMELA ROSENAU NAMED TO BARRON'S 2013 LIST OF TOP 100 WOMEN ADVISORS

CHICAGO, IL – June 10, 2013 – HighTower, the nation's first advisor-owned financial services firm serving wealthy families and institutional clients, announces that Pamela Rosenau, HighTower Managing Director and Equity Market Strategist, is ranked 14th in *Barron's* magazine's list of "Top 100 Women Financial Advisors" for 2013.

Barron's compiles its annual ranking of the "Top 100 Women Financial Advisors" to recognize women advisors who make a significant impact on the financial services industry. The publication ranks advisors according to factors such as assets under management, generated revenues and practice quality. Ms. Rosenau was also among the seven HighTower advisors included by *Barron's* in its "Top 1000 Financial Advisors by State" for 2013.

"Pamela's client-centric philosophy is synonymous with our fiduciary approach to acting in the best interest of our clients," said Mike Papedis, Executive Vice President at HighTower. "Her recognition from *Barron's* validates HighTower's emphasis on recruiting corner-office advisors who are stellar as both professionals and as people."

Ms. Rosenau has more than 25 years of experience in the financial services industry, and specializes in strategic and tactical asset allocation, investment planning strategies and equity portfolio management strategies. In addition to her role as Equity Market Strategist, Ms. Rosenau performs due diligence on HighTower's third-party research relationships and adds, monitors and trims research providers where required. Ms. Rosenau, Co-Chair of the HighTower Group Investment Solutions division's Steering Committee and Chief Investment Officer of HighTower's The Rosenau Group, worked for various sell-side firms prior to joining HighTower in 2010.

Ms. Rosenau's designation as one of the "Top 100 Women Financial Advisors" is the latest recognition of HighTower's team by *Barron's*. In April, *Barron's* named Paul A. Pagnato, Partner and Managing Director of HighTower's Pagnato-Karp Group, and Richard Saperstein, Managing Director, Principal and Chief Investment Officer of HighTower's Treasury Partners, to its "Top 100 Financial Advisors" list for 2013.
